

*From the land of spices and the country of the ancients is offered a cuisine that has been perfected, adapted, and adopted, with nuances of culinary delights that have become home in this diverse culture.*

*To the people assimilating these gifts, and making their own, emerges a cuisine that not only pleases the pallet but also transcends the ordinary into extraordinary.*

*Variations of spices married with subtleties of flavor, without sacrificing the goodness of the ingredients, is the essence of good food.*

*Back by popular demand these are the dishes that emerge from the kitchen of Prem Rawat.*

*Select menus that are enjoyed by his guests are offered in the magnificent surroundings of Dayas Restaurant.*

*Partake in the feasts. Enjoy.*
